# Mapping the Journey

<http://www.teachercreated.com/books/2159> Click on page 112, sites 1-4

**Key Question:** What were the major events on the trip to the moon and back?

**Directions:** Read the Apollo 11 Web sites and get to know the details of our historic trip to the moon. Once you're done, try to fill in this pathway with the major events of the journey. Use arrows to show where on the trip the events happened!
