I Can Read!

Literacy Skill

- reading sight words

Student Grouping

- center
- small group
- partner

Materials

Each partner group will need the following:

- 1 copy of I Can Read! Game Board (page 73 or 75)
- 2 playing markers
- 1 die

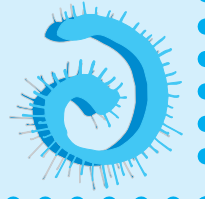

Directions

Have each group do the following:

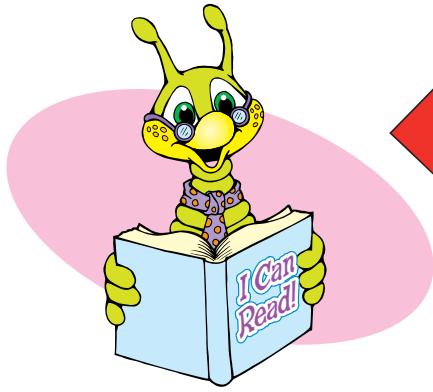

1. Player 1: Rolls the die and moves that number forward. He or she must read the word.
2. Player 2: Rolls the die and moves that number forward. He or she must read the word.
3. Play continues until one player reaches the top.

Helpful Hints

- Laminate game boards for durability.
- Using a wooden cube, make a die with only the numbers 1, 2, and 3. This will make the game last longer.
