Word Choice: Add descriptive and specific words to make the topic more interesting.

My Baby Brother

He made another mess by pulling out all the things I had hidden under the bed. He always makes a mess when he gets into my room. My baby brother is a pest. I want him locked out of my room forever. He got into my room yesterday while I was at school. He first took all of the pages out of one of my books. He also got into my closet and pulled all my clothes off the hangers. He should never be allowed to go into my room.
