Johnny Appleseed

Johnny Appleseed's real name was John Chapman. He was born on September 26, 1776, in Massachusetts. John loved all people, animals, and nature. John was a vegetarian. A vegetarian is a person who does not eat meat.

John wore clothes made from potato sacks. He wore a tin pot on his head. He used the pot for cooking. John walked barefoot!

For more than 50 years John traveled throughout Ohio planting apple seeds and starting apple orchards. That is how he became known as Johnny Appleseed.

Johnny Appleseed died in March 1845.
