Chapter 2: The Investigation

Mr. Dee calls home from the crime lab, and the investigation begins...

Calvin, secure the crime scene. Take digital photographs of any evidence. Don't forget to check the backyard for footprints.

We'll head out there now.

Cyclone, stop! Dad, Cyclone has made a mess of the backyard with his muddy paws. If there was any evidence out here, it's gone now!

OK. Go back into the house and take pictures of everything, especially the floors, doors, and around the windows.
